Green Learning - A Guide to Eco-Conscious Education

CLIMATE CHANGE

*Green Together, Clean Forever:
Our Actions change the Future Climate!*

Activity -01

Daily Weather Charting

Activity -02

My Carbon Footprint

Activity -03

Climate Change - Matching Cards

Activity -04

Green Guardians: Soil and Climate Change Connection

Activity -05

Polar Ice Melting Experiment: Understanding Global Warming

Activity -06

Aqua Saviors: My Water Conservation Diary

Activity -07

Tracing the Journey: Understanding Food Miles

Activity -08

From Farm to Table: Food Label Investigation

Activity -09

Soil Under Siege: Exploring Pesticides' Role in Climate Change

Activity -10

Climate Change Spelling Challenge

Activity -11

Climate Change Bingo

Activity -12

Green Refrigerator Project: A Simple Guide to Sustainability

Activity -13

Forests for The Future: Reforestation's Impact on Climate Change
