

# Eco Education Manual

Green Learning - A Guide to Eco-Conscious Education

## FOREST

*Forest Wisdom in Every classroom: Integrating Nature's knowledge into Daily Learning*

### Activity -01

Exploring Leaves:  
A Nature Adventure

### Activity -02

Little Green Scientists:  
Discovering How Trees Breathe

### Activity -03

Plant Power:  
How Trees Keep the Earth Cool

### Activity -04

Leaf Lifecycle Lab:  
Discovering Decomposition

### Activity -05

Learning Herbs: A Puzzle Matching Game for Young Minds

### Activity -06

Seasonal Tree Explorer: A Journey Through Nature's Calendar

### Activity -07

Measure your green buddies!

### Activity -08

My Tree Pal: A Tree Adoption Journey

### Activity -09

Forests for the Future:  
Reforestation's Impact on Climate Change

### Activity -10

Sprout Spheres:  
A Seed Ball Adventures

### Activity -11

Tree and Carbon Cycle : Climate Change Connection

### Activity -12

Hug a Tree : Oneness and Gratitude Practice
